Restaurant AX Bakery

Restaurang AX Bageri is located in the centre of Bennäs, in Pedersöre. At our restaurant you can enjoy lunch on Mondays to Fridays at 11-13:00, have a cup of coffee and a delicious bun or why not get something to go from our well filled vitrine or a freshly made bread.

We love food and are creative persons, who like to work with pure ingredients and most of all with quality at heart. We bake cakes and other products in our selection on request. We are also very flexible, so if you have special wishes, we always try to do our best.
