Köpmanholmen is Larmo's recreational area, our lush green island is just a short row away from the mainland. Visit with your family, school, or business.

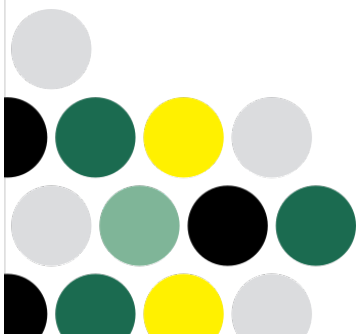

On Köpmanholmen there is a café, a restaurant, conference room, the TerraMare exhibit on post-glacial rebound, and, of course, the calm that only nature can give.

Summer 2023: Daily from 5.6. 12:00 - 21:00
